More than just Friends

By Viewer

I see you spare with my brother

day in day out.

I see you smile at him

that sweet innocent smile.

I see you laugh

that heart felt laugh.

I see you talk

with innocence and intelligence.

I love the way you move,

I love the way you talk,

I love the way you act,

I love your innocence,

Even your childish quarks.

I would love to be yours,

Now and forever,

But when I see you with my brother,

I wonder if you may not be

More than just friends.
